

**BURN BRAE DAY CAMP OF CREATIVE ARTS**

# Explore your creative side this summer

Burn Brae Day Camp, in business for 35 years, offers children the opportunity to explore their interests and expose them to a huge variety of activities that they might not otherwise encounter. This is done in a safe and nurturing environment, providing children with healthy physical activity, fresh air, the chance to make life-long friends and an appreciation for both visual, performing arts, technology, science, swim and sports.

The Burn Brae philosophy is that we are dedicated to enriching our campers' lives through the exploration of arts, physical activities and much more. In a nurturing, non-competitive environment, campers soar to their individual heights. Burn Brae specializes in the fulfillment of a child's creative

gifts, both those known and not yet discovered.

What makes Burn Brae Day Camp unique unto itself is that boys and girls, ages 7 through 15, create their own schedules according to their interests. Campers 3 to 6 have a special age appropriate program that encompasses the arts, musical instruments, science, technology, cooking, foreign language, swim and sports instruction and much more. Many of our activities are individually tailored, with campers progressing at their own pace in a supportive atmosphere.

We teach all skill levels in dance, instruments, and more. Another special and very important aspect of the camp is the qualified staff, made up of professional teachers, highly trained

performers and artists. The staff-to-camper ratio allows campers to receive a lot of individual attention.

Burn Brae Day Camp provides door-to-door transportation throughout Montgomery, Bucks, Main Line and Philadelphia – a very necessary and convenient service. There is a full-time registered nurse on the premises and most of the buildings are air conditioned for those very hot summer days. The camp's expert Red Cross water safety staff teaches campers to be better, safer swimmers, and Junior Lifesaving is offered to more advanced swimmers.

Burn Brae Day Camp is located at 1405 Twining Road, Dresher. For more information, call 215-657-3388 or visit [www.burnbraedaycamp.com](http://www.burnbraedaycamp.com).
